CASE NO.  
2025-00329

ORDER

On November 3, 2025, Green River Valley Water District (Green River Valley District) and Edmonson County Water District (Edmonson District) (collectively, Joint Applicants) filed an application for approval of transfer of Edmonson District's Hart County (water) System and Wax Water Treatment Plant to Green River Valley District as well as for approval of Green River Valley District's assumption of certain debt obligations of Edmonson District.

KRS 278.300(2) provides that the Commission must adjudicate an application for authority to issue an evidence of indebtedness within 60 days of the date that the application was filed. KRS 278.300(2) also provides that the Commission can continue its review of the application for longer than 60 days upon a showing of good cause.

Based upon a review of the application, the Commission finds that an investigation is necessary to determine the reasonable necessity and appropriateness of the request, and that the investigation cannot be completed by January 2, 2026, because further information from the Joint Applicants is needed in order to conduct a thorough investigation of the application. For that reason, the Commission finds that good cause exists to continue the application beyond the 60-day period specified in KRS 278.300(2) so that the Commission can conduct a comprehensive review of the proposed transaction.

The Commission further finds that a procedural schedule should be established for the orderly processing of this case. The procedural schedule is attached as an Appendix to this Order.

Additionally, any hearing scheduled in this matter shall be held on the designated day or days and continued until called from the bench by the presiding officer. Pursuant to 807 KAR 5:001, Section 2, if the hearing is not concluded on the designated day, the hearing may be continued upon verbal announcement by the presiding officer. A verbal announcement made by the presiding officer shall be proper notice of the continued hearing. Hearings are held in the Richard Raff Hearing Room at the offices of the Public Service Commission at 211 Sower Boulevard, Frankfort, Kentucky. Witnesses who sponsor schedules, testimony, or responses to requests for information are expected to participate in-person at a hearing.

IT IS THEREFORE ORDERED that:

1. Joint Applicants' application for approval of the transfer of Edmonson District's Hart County (water) System and Wax Water Treatment Plant to Green River

Valley District and Green River Valley District's assumption of certain debt obligations of Edmonson District is continued beyond the 60-day period specified in KRS 278.300(2).

2. The procedural schedule set forth in the Appendix to this Order shall be followed.

3. Joint Applicants shall respond to all requests for information propounded by Commission Staff, whether identified on the procedural schedule or otherwise, as provided in those requests.

4. Any party filing a paper with the Commission shall file an electronic copy in accordance with the electronic filing procedures set forth in 807 KAR 5:001, Section 8. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked. The Commission directs the parties to the Commission's July 22, 2021 Order in Case No. 2020-00085<sup>1</sup> regarding filings with the Commission.

5. As set forth in 807 KAR 5:001, Section 4(11), a person requesting permissive intervention in a Commission proceeding is required to demonstrate either (1) a special interest in the proceeding that is not adequately represented in the case, or (2) that intervention is likely to present issues or develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. Therefore, any person requesting to intervene in a Commission proceeding must state with specificity the person's special interest that is not otherwise adequately represented, or the issues and facts that the person will present that will assist the Commission in fully

considering the matter. A mere recitation of the quantity of utility service consumed by the movant or a general statement regarding a potential impact of possible modification of rates will not be deemed sufficient to establish a special interest.

7. Joint Applicants shall give notice of the hearing in compliance with 807 KAR 5:001, Section 9(2)(b). In addition, the notice of hearing shall include the following statements: "This hearing will be streamed live and may be viewed by connecting to the YouTube link posted on the PSC website, [psc.ky.gov](http://psc.ky.gov)" the day of the hearing, and "Public comments may be made at the beginning of the hearing. 8. At any public hearing in this matter, neither opening statements nor summarization of direct testimonies shall be permitted.

9. Any hearing scheduled in this matter shall be held on the designated day or days and continued until called from the bench by the presiding officer. Pursuant to 807 KAR 5:001, Section 2, if the hearing is not concluded on the designated day, the hearing shall be continued upon verbal announcement by the presiding officer. A verbal announcement made by the presiding officer shall be proper notice of the continued hearing.

10. Witnesses who sponsor schedules, testimony, or responses to requests for information shall participate in person at any hearing scheduled in this matter.

11. Pursuant to KRS 278.360 and 807 KAR 5:001, Section 9(9), a digital video recording shall be made of the hearing.

12. The Commission does not look favorably upon motions for continuance. Accordingly, motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

13. The Commission does not look favorably upon motions to substitute witnesses or excuse witnesses from testifying at Commission hearings. Accordingly, motions to substitute witnesses or excuse a witness from testifying at a Commission hearing or from testifying in person at a Commission hearing shall be made in writing at least 14 days prior to the hearing and will be granted only upon a showing of good cause.
