¹ Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. Each response shall include the question to which the response is made and shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

1. Provide a letter from USDA Rural Development or a statement signed by an authorized representative of Green River Valley District confirming whether Green River Valley District's assumption of approximately \$4,355,500 of Edmonson County Water District's USDA Rural Development debt will, by itself, require an increase in the rates charged to the customers who were served by Green River Valley District prior to the proposed transaction.

a. Identify and provide any financial information supporting the conclusion of the letter or statement.

b. If Green River Valley District cannot confirm that the debt assumption will not require a rate increase, explain why and describe any anticipated rate effect, including the rate classes affected, the estimated amount, and timing of the increase with supporting calculations and documentation.
