INTRA-AGENCY MEMORANDUM

KENTUCKY PUBLIC SERVICE COMMISSION

TO: Case No. 2025-00085, Electronic Purchase Gas Adjustment Filing of Sentra Corporation

FROM: John B. Park, Staff Attorney III

DATE: November 3, 2025

RE: Informal Conference of September 11, 2025

Pursuant to a Staff Notice issued on September 4, 2025, an informal conference was conducted on September 11, 2025, by video conference in the above-referenced matter. Attached is a copy of the attendance roster.

The purpose of the informal conference was to discuss issues presented in this matter, including the filing requirements for purchased gas adjustment reports. Staff discussed errors in Sentra Corporation's (Sentra) Gas Cost Recovery Report (GCR) Report, including the failure to use the five percent limit for line loss in its calculations and supply purchase numbers not matching invoices. Staff noted that Sentra failed to file timely responses to Staff data requests attached as an appendix to the April 30, 2025 Order suspending Sentra's proposed GCR rates. Staff stressed a utility's obligation to file timely responses to data requests and to comply with the instructions for responding to the requests. Staff stated that if Sentra has any questions regarding procedural matters, Sentra's counsel should reach out to the staff attorney in the case.

There being no further discussion, the informal conference was then adjourned.
