Comments:

As a business owner here in Beattyville Ky for over 20 years and has 4 different meters accounts with KU electric I am very concerned by this proposed rate increase. It will significantly impact my business in that I will have to pass this increase on to my customers which in turn will decrease my customers. We have suffered through 2 floods and covid 19 in the past 5 years in which we lost everything and spent our savings to get up and running again. Also inflation has impacted our business as well. Our business is our only source of income and I implore you not to increase our utility rates.
