ORDER

On August 8, 2025, the city of Greensburg (Greensburg) filed a motion to extend the deadline for responding to Commission Staff's First Request for Information (Staff's First Request) for ten days from August 8, 2025, to August 18, 2025.

Greensburg had filed a revised wholesale water tariff on March 20, 2025, which the Commission determined required an investigation to evaluate its reasonableness by Order dated June 26, 2025. Staff's First Request was issued on July 25, 2025. Greensburg filed the present motion, stating "[t]he Mayor of Greensburg is the person responsible for gathering the information requested. Prior to the Commission Staff's First Request being issued, the Mayor had personal commitments already scheduled during the past two-week period."

The Commission finds that good cause has been shown to grant ten-day extension to respond to Staff's First Request to August 18, 2025. No intervenors have been joined that would be prejudiced by a delay.

IT IS THEREFORE ORDERED that Greensburg's motion for an extension to respond to Staff's First Request is granted and said responses shall be due on or before August 18, 2025.
