Comments:

I am voicing my opposition to the Clark Energy rate adjustment in the above case. Being on a fixed income and being elderly is not something I enjoy; however, there has been a recent school tax, an add-on tax for emergency management water bill because CSEPP wants a \$5.00 slice out of our water utility to now fund CSEPP as the army base in Richmond had granted funds thru the government and they expired. There are simply too many increases and utility bills are too high. The 6.69 % increase is simply too high to gain Clark 2.82 million while customers pay too many taxes and fees.
