Comments:

Deny, Deny, and I say again Deny Kentucky Power/AEP another rate increase. Do not give them even 0.1% increase. There should be no meet in the middle this time around. Just say NO to their record corporate profits that will further deteriorate the economic status of Eastern KY. You three will be responsible for destroying the people of your own state if you give them any more increase.

Kentucky Power/AEP continue to rake in record profits. Kentucky Power \$466 million 2025 profits

AEP \$2.93 Billion in profits.

How can you say even one cent of rate increase is JUST!!! It is not fair, reasonable, or Just.
