Comments:

The price of electricity under AEP is astronomical and ridiculously expensive. Way more expensive than other areas comparable. They continue to raise rates and it is impossible for many people to pay the price they're asking. This will drive people away from living in the area to somewhere else and the economy will collapse. Please help the people of eastern Ky and make our electric bill prices more reasonable and comparable to those in surrounding areas. Thanks.

**Subject:** Don't Raise Electric Rates for KY Power

Hello,

Please reject the proposed rate increase for Kentucky Power.

Folks in Eastern Kentucky have high enough electric bills as it is, and AEP's stockholders are more capable of taking the hit than us rate payers are.

Do not increase the energy burden of the people you serve.

Reject the proposed increase.

-Matthew
