SITING BOARD STAFF'S POST-HEARING REQUEST FOR INFORMATION
TO CRAB RUN SOLAR, LLC

Crab Run Solar, LLC (Crab Run Solar), pursuant to 807 KAR 5:001, shall file with the Commission an electronic version of the following information. The information requested is due on May 11, 2026. The Siting Board directs Crab Run Solar to the Commission's July 22, 2021 Order in Case No. 2020-00085¹ regarding filings with the Commission. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

Each response shall include the question to which the response is made and shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the

PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Crab Run Solar shall make timely amendment to any prior response if Crab Run Solar obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which Crab Run Solar fails or refuses to furnish all or part of the requested information, Crab Run Solar shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied and scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Crab Run Solar shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Explain whether landowners will be notified if this project is sold to another entity. If not, please explain.
2. Provide a table with the distances for each intervenor residence to the following:
 - a. Fencing.
 - b. Closest solar panel.

- c. Closest inverter.
 - d. Substation.
3. Provide a parcel map of the proposed site. Include the intervenors' parcels and the distance of the closest panel to each intervenor's residence on the map.
 4. Explain whether solar panels could be impacted by the presence of whiskey fungus. Include in the response any studies or supporting documentation for the response.
 5. Explain how solar panels for this project will be cleaned.
 6. Refer to Application, Exhibit E, Visual Impact Simulations. Provide a visual simulation for KOP 109 with proposed conditions with a landscape buffer at the time of planting at 5-year growth and 10-year growth.
 7. Provide additional types of fast-growing trees and shrubs that are native to Kentucky and could be utilized for this project.
 8. Provide additional types of native species of trees and shrubs that can be utilized for vegetative screening that are more suitable for Kentucky winters.
 9. Explain who is responsible for the difference in cost if the decommissioning costs exceed the bond amount.
