

Notes

Case No. 2025-00354

12/21/25

TO Whom It May Concern:

I am asking that the proposed rate hike from \$77.77 to \$114 will not be approved. That is a large increase. There are too many families that will not be able to afford such a substantial rate increase. Please keep me informed of any meetings I can attend.

Sincerely,

Mare Ross
107 Fallon Circle
Georgetown KY 40324
