

2517 Centennial Rd.
Georgetown, Ky. 40324

To Whom it may concern.
It has been brought
to my attention that we have a
proposed rate hike for our sewer
bill. I'm a lady living alone
on a fixed income and I
don't want to have to choose which
bills I pay. I think this is
ridiculous that it's raised so
much in 75 years old and on
a fixed income.
