Comments:

Let the record show this is the first time in a very long time that the sludge truck has come through Airview and it has made at least 10 trips in and out and now an even bigger tanker....there has been nothing done in Airview - not even the Midwest Water truck coming through here. Absolutely nothing i dont care what they submit to the PSC on paper I am telling you it is not the truth. They - Cswr/Bluegrass/ whatever other company Josiah Cox is CEO of - and there are many- have not done any work in Airview until today January 15, 2026. Since the rate increase...nothing. Please do not approve another rate increase to this company no matter how much they cry they are not living up to the customers standards by any means and theres something not right but youll soon figure it out .
