Comments:

I received another letter from Bluegrass proposing their ridiculous rate hike. A rate of increase of 46% is not justified or even ethical. My neighbors and I feel like this proposed rate increase is to cover expenses for other projects outside of Kingswood Subdivision. We should not be held responsible for these expenses occurred out side of our scope. I am asking the Public Service Commission to review the application and reject this proposed increase to our neighborhood. Thanks you for your time. Ryan DeMuesy
