Hello,

My name is Heather Finley. We operate a towing facility at [REDACTED], Georgetown, KY 40324. (Acct [REDACTED]) Bluegrass Water UOC is requesting a price increase and I am writing to formally object to the current and proposed rate structures under case 2025-00354

We are a non-residential user but only have a couple bathrooms and a water hose hookup yet we are already charged a \$197.43 minimum before our actual usage is even billed making our average water bill \$237.04. Our actual usage is only \$26 per month before taxes that is less than our personal home. Clumping micro-use businesses into the same bracket as large commercial users is an unjust and unreasonable rate burden. I ask the Commission to deny Bluegrass Water's rate structure and implement a low usage rate based classification for small businesses.

Thanks,

Heather Finley
