Comments:

Since Bluegrass Water Utility Operating Company Inc. has taken over the responsibilities of our wastewater service they have been requesting rate hikes. They state they have invested \$18.6 million in improvements, yet I have personally not seen any changes or work completed in Persimmon Ridge neighborhood that remotely entails an increase that they request. Often what I read is they are encountering delays with materials that continually put off work. We should not be incurring rate hikes to support work being completed in other communities. Please deny the requested rate hikes. Thank you.
