ORDER

On September 17, 2026, the Commission issued a final Order in this matter. The Order set forth a new Demand-Side Management Adjustment Clause (Tariff D.S.M.C.) surcharge rate in the Appendix. However, the final Order did not include language related to the effective date of that surcharge rate nor did it require an updated tariff filing.

Finding that the September 17, 2026 Order should be amended, the Commission HEREBY ORDERS, *nunc pro tunc*, that following ordering paragraphs be added to the Order:

1. The surcharge factors set forth in the Appendix to this Order are approved for service rendered on and after October 1, 2026.
2. Within 20 days of the date of service of this Order, Kentucky Power shall file with the Commission, using the Commission's electronic Tariff Filing System, its

revised tariffs as set forth in this Order reflecting that they were approved pursuant to this Order.

All other provisions of the Commission's September 17, 2026 Order that are not in conflict with the terms of this Order shall remain in effect.
