In Re: Docket # 2025-00388

To whom it may concern:

Our family recently bought the property at 430 Lanetown Rd Nancy Ky 42544. We paid an extraordinary amount compared to what it was worth just a few years back. We moved here in 2021. We searched high and low for a property we could enjoy. We fell in love with Nancy, Ky , the surrounding area and the school system for our two boys.

After receiving the letter about the telecommunications facility going up near our home we are truly devastated. We would like to fight this any chance we can. We are currently putting money into this home and intended on retiring here.

Please keep us informed of any and all information regarding this. We would be willing to sell for the right price but we are not happy and plan to ask around about what we can do to ensure this does not happen.

Sincerely,

Patricia & Lester Swafford
