Re: CASE NO. 2025-00412 – Amended Filing Deficiencies
Harrison County Water Association, Inc.
(Purchased Water Adjustment)

Dear Mr. Melcher:

Commission Staff has been made aware that the January 7, 2026, letter inadvertently referenced an incorrect regulation and may therefore be disregarded. The filing is instead rejected for the reasons set forth below.

1. 807 KAR 5:068 Section 1(d): The calculation and all supporting documents used to determine the change in purchased water costs sufficient to determine the accuracy of the calculation; Exhibit G Worksheet and Exhibit B, Suppliers Purchased Water; Staff is unable to verify calculations without the base rates of all suppliers.
2. 807 KAR 5:068, Section 4: Satisfactorily completed Purchased Water Agreement Form 1; Exhibit B and PWA Form are missing base rates for other suppliers.

The information necessary to cure the deficiency must be submitted within 10 days of the date of this letter.

If you need further assistance, please contact Brian Thomas at 502-564-3940.

Sincerely,

A handwritten signature in blue ink that reads "Linda C. Bridwell".
