Frankfort, KY 40602

Dear Sir/Madam,

RE: Docket 2006-00054

Please review the enclosed documents. Can you respond with what options I have as a neighboring property owner. Is it possible to request compensation if the installation of the communication tower proceeds?

Sincerely,

Joe Albert

**Notice of Proposed Construction of  
Wireless Communications Facility  
Site Name: Mt. Olivet**

Cellco Partnership, d/b/a Verizon Wireless and Horvath Communications propose to construct a wireless communications facility on a site located at +/- 719 Kentontown Rd; Mt. Olivet KY 41064 (North Latitude: 38° 31' 50.30", West Longitude: 84° 02' 58.79"). The proposed facility will include a 295-foot-tall, guyed, tower, plus a 10-foot lightning arrestor and related ground facilities. This facility is needed to provide improved coverage for wireless communications in the area.

This notice is being sent to you because the County Property Valuation Administrator's records indicate that you may own property that is within a 500' radius of the proposed tower site or contiguous property on which the tower is to be constructed. You have a right to submit testimony to the Kentucky Public Service Commission ("PSC"), either in writing or to request intervention in the PSC's proceedings on the application. You may contact PSC for additional information concerning this matter at: Kentucky Public Service Commission, Executive Director, 211 Sower Boulevard, PO Box 615, Frankfort Kentucky 40602. Please refer to docket number 2026-00054 in any correspondence sent in connection with this matter.

We have attached a map showing the site location for the proposed tower. Co-Applicant's radio frequency engineers assisted in selecting the proposed site for the facility, and they have determined it is the proper location and elevation needed to provide quality service to wireless customers in the area. Please feel free to contact us at 317-637-1321 if you have any comments or questions about this proposal.

Sincerely,

Russell L. Brown
