Re: Case No. 2026-00094  
Kentucky-American Water Company  
(General Rates)  
(Tariffs)

Public Service Commission:

Notice regarding the above-referenced Case No. 2026-00094 appeared in our local newspaper, The Middlesboro News, on Wednesday, May 13, 2026 and May 20, 2026.

As a customer of Water Service Corporation of Kentucky, I am writing to comment about the Kentucky-American Water Company Application that will affect Bell County, Kentucky. I am totally against this proposed water rate increase along with proposed addition to its tariff/surcharge that will be calculated and applied to the customer's monthly bill BECAUSE we cannot afford A increase in  
water payments.

Water Service Corporation's customers CANNOT avoid the proposed rate increases in this Case.

Sincerely,
