Re: Case No. 2026-00094
Kentucky-American Water Company
(General Rates)
(Tariffs)

Public Service Commission:

Notice regarding the above-referenced Case No. 2026-00094 appeared in our local newspaper, The Middlesboro News, on Wednesday, May 13, 2026 and May 20, 2026.

As a customer of Water Service Corporation of Kentucky , I am writing to comment about the Kentucky-American Water Company Application that will affect Bell County, Kentucky. I am totally against this proposed water rate increase along with proposed addition to its tariff/surcharge that will be calculated and applied to the customer's monthly bill BECAUSE many of us in this area already struggle to pay our bill.

Water Service Corporation's customers CANNOT avoid the proposed rate increases in this Case.

Sincerely,

My Name: Sheba Shaw
