Comments:
I have read a article in the Link Campbell County Reader regarding Duke Energy Kentucky a revision of DSM. I have no idea what DSM is. This is on my bill and has been increased. Last month it was 4.62 this month it is 5.89. Could someone explain what this is and what it is for? The senior generation is always in the dark about such matters. We are on fixed incomes and cant take all these increases, are they really necessary?
