In the Matter of:

AN ELECTRONIC EXAMINATION BY THE	)	
PUBLIC SERVICE COMMISSION OF THE	)	
ENVIRONMENTAL SURCHARGE MECHANISM	)	CASE NO.
OF BIG RIVERS ELECTRIC CORPORATION FOR	)	2026-00089
THE SIX-MONTH BILLING PERIOD ENDING	)	
JANUARY 31, 2026	)	

ORDER

On June 26, 2008, the Commission approved Big Rivers Electric Corporation's (BREC) environmental surcharge application and established a surcharge mechanism.<sup>1</sup> The Commission also approved a mechanism to pass through the environmental surcharge to BREC's three member distribution cooperatives (Member Cooperatives).<sup>2</sup> Pursuant to KRS 278.183(3), at six-month intervals, the Commission must review the past operations of the environmental surcharge, disallow any surcharge amounts found not to be just and reasonable, and reconcile past surcharges with actual costs recoverable pursuant to KRS 278.183(1).

<sup>1</sup> Case No. 2007-00460, *Application of Big Rivers Electric Corporation for Approval of an Environmental Compliance Plan and Environmental Surcharge Tariff* (Ky. PSC June 26, 2008), Order.

<sup>2</sup> The three Member Cooperatives were authorized to implement a pass-through mechanism in Case No. 2007-00470, *Application of Meade County Rural Electric Cooperative Corporation for Approval of Retail Tariff Riders, Revised Tariffs and New Tariff, and for Approval of Amendment of Wholesale Agreement* (Ky. PSC, Dec. 12, 2008), Order; Case No. 2008-00009, *Application of Kenergy Corp. for Approval of Retail Tariff Riders and Revised Tariffs, Approval of Smelter Agreements, and Approval of Amendment to Wholesale Agreement* (Ky. PSC, Dec. 12, 2008), Order; and Case No. 2008-00010, *Application of Jackson Purchase Energy Corporation for Approval of Retail Tariff Riders, Revised Tariffs, New Tariff, and Amendment of Wholesale Agreement* (Ky. PSC Dec. 12, 2008), Order.

On its own motion, the Commission initiates (1) the six-month review of BREC's environmental surcharge for the billing period ending January 31, 2026 to the Member Cooperatives. The billing period under review reflects costs incurred by BREC from June 1, 2025, through November 30, 2025. The Commission also initiates the corresponding review of the Member Cooperatives' pass-through mechanisms for the six-month billing period ending February 28, 2026, to their retail member customers, and the billing period ending January 31, 2026, for large commercial and industrial customers with dedicated delivery points.<sup>3</sup>

To facilitate this review, the Commission finds it appropriate to issue a procedural schedule as set forth in Appendix A to this Order. In accordance with that schedule, BREC is to file prepared direct testimony: (1) in support of the reasonableness of the application of its environmental surcharge mechanism during the period under review; and (2) in support of the reasonableness of the application of the pass-through mechanism during the period under review. Also, in accordance with that schedule, the Member Cooperatives, or BREC on their behalf, are to file prepared direct testimony in support of the reasonableness of the application of the pass-through mechanism during the periods under review.

In addition, BREC and the Member Cooperatives are to file their responses to the information requests in Appendix B to this Order and should respond to any future

---

<sup>3</sup> The Commission's Orders in Case Nos. 2007-00470, 2008-00009, and 2008-00010 allow the Member Cooperatives to pass through the environmental surcharge to all their retail customers, except large commercial and industrial customers with dedicated delivery points, on a one-month lag. Those customers with dedicated delivery points are billed without the one-month lag necessary for the retail customers; therefore, their billing period covers the same period as BREC.

requests for information propounded by Commission Staff by the date or dates set forth on any such requests.

Any hearing scheduled in this matter shall be held on the designated day or days and continued until called from the bench by the presiding officer. Pursuant to 807 KAR 5:001, Section 2, if the hearing is not concluded on the designated day, the hearing may be continued upon verbal announcement by the presiding officer. A verbal announcement made by the presiding officer shall be proper notice of the continued hearing. Hearings are held in the Richard Raff Hearing Room at the offices of the Public Service Commission at 211 Sower Boulevard, Frankfort, Kentucky. Witnesses who sponsor schedules, testimony, or responses to requests for information are expected to participate in person at a hearing.

IT IS THEREFORE ORDERED that:

1. This proceeding is initiated to review BREC's environmental surcharge and the pass-through mechanism for BREC's Member Cooperatives for the billing periods set forth in this Order.
2. BREC and each of its Member Cooperatives listed in footnote 2 in this Order shall be parties to this case.
3. The procedural schedule set forth in Appendix A to this Order shall be followed.
4. BREC and the Member Cooperatives shall, by the date set forth in Appendix A, file their prepared direct testimony in support of the reasonableness of the application of its environmental surcharge mechanism and the pass-through mechanism

during the period under review and on a proposal to roll its environmental surcharge into existing base rates.

5. On or before the date set forth in the procedural schedule, BREC and each of its Member Cooperatives shall file its responses to the information requested in Appendix B attached to this Order.

6. BREC and each of its Member Cooperatives shall respond to any additional requests for information propounded by Commission Staff as provided in those requests.

7. BREC's monthly environmental surcharge reports and supporting data for the review period shall be incorporated by reference into the record of this case.

8. Unless otherwise ordered by the Commission, the procedures set forth in 807 KAR 5:001, Section 8, related to the service and electronic filing of papers shall be followed in this proceeding.

Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked. The Commission directs the parties to the Commission's July 22, 2021 Order in Case No. 2020-00085<sup>4</sup> regarding filings with the Commission.

10. If a party objects to the use of electronic filing procedures and the Commission determines that good cause exists to excuse that party from the use of

electronic filing procedures, service of documents on that party and by that party shall be made in accordance with 807 KAR 5:001, Section 4(8).

11. Pursuant to 807 KAR 5:001, Section 8(9), within seven days of the date of service of this Order, BREC and each of its Member Cooperatives shall file a written statement that it waives any right to service of Commission Orders by United States mail and that it or its authorized agent possesses the facilities to receive electronic submissions.

12. As set forth in 807 KAR 5:001, Section 4(11)(a), a person requesting permissive intervention in a Commission proceeding is required to demonstrate either (1) a special interest in the proceeding, which is not adequately represented in the case, or (2) that the person requesting permissive intervention is likely to present issues or develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. Therefore, any person requesting to intervene in a Commission proceeding must state with specificity the person's special interest that is not otherwise adequately represented, or the issues and facts the person will present that will assist the Commission in fully considering the matter. A mere recitation of the quantity of utility service consumed by the movant or a general statement regarding the potential impact of possible modification of rates will not be deemed sufficient to establish a special interest.

13. Any motion to intervene filed after the dates established in the procedural schedule shall show a basis for intervention and good cause for being untimely. If the untimely motion is granted, the movant shall accept and abide by the existing procedural schedule.

14. Unless a party granted leave to intervene states its objection to the use of electronic filing procedures in a motion for intervention, the party shall:

a. Be deemed to have consented to the use of electronic filing procedures and the service of all papers, including Orders of the Commission, by electronic means; and

b. Within seven days of the date of service of an Order of the Commission granting its intervention, file with the Commission a written statement that:

(1) It, or its authorized agent, possesses the facilities to receive electronic transmissions; and

(2) Sets forth the electronic mail address to which all electronic notices and messages related to this proceeding shall be served.

15. Within seven days of the Commission's granting intervention to a party, BREC shall provide the party with a copy of its monthly environmental surcharge reports as filed with the Commission for the review period.

16. The Commission does not look favorably upon motions for continuance. Accordingly, motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

17. The Commission does not look favorably upon motions to excuse witnesses from testifying at Commission hearings. Accordingly, motions to excuse or substitute a witness from testifying at a Commission hearing or from testifying in person at a Commission hearing shall be made in writing at least 14 days prior to the hearing date and will be granted only upon a showing of good cause.

Entered on this 11th day of May, 2026.

1. This request is addressed to BREC. Prepare a summary schedule showing the calculation of  $E(m)$  and the surcharge factor for the expense months under review. ES Form 1.10 can be used as a model for this summary. Include two expense months subsequent to the review period in order to show the over- and under-recovery adjustments for the months included for the review period. Include a calculation of any additional over- or under-recovery amount BREC believes needs to be recognized for the

2. This request is addressed to the Member Cooperatives. For each of the Member Cooperatives, prepare a summary schedule showing the Member Cooperative's pass-through revenue requirement for the expense months under review. If so, provide the calculations in Excel spreadsheet format with all formulas, columns, and rows unprotected and fully accessible showing what the environmental surcharge would have been had BREC been charging Nucor its share of environmental costs. Also include in the response the total amount that BREC's Owner-Members have been over charged due to Nucor not being charged an environmental surcharge.

d. Provide an estimate of the amount that Nucor would have paid if BREC had been assessing NUCOR an environmental surcharge assessment monthly. Provide the amount by month and annual totals.
