INTRA-AGENCY MEMORANDUM
KENTUCKY PUBLIC SERVICE COMMISSION

TO: Case File No. 2026-00103

FROM: Ellen Fouser-Gormley, Staff Attorney

DATE: October 9, 2026

RE: Informal Conference of October 8, 2026

Pursuant to Commission Staff's Notice issued on October 5, 2026, an Informal Conference (IC) was conducted on October 8, 2026. Attached is a copy of the attendance roster.

Staff explained that it cannot speak for or bind the Commission. Staff noted that Kentucky Power Company (Kentucky Power) requested the IC for the purpose of discussing the status of Case No. 2026-00103.

Kentucky Power stated that it had intended to file an application in this case for a certificate of convenience and necessity (CPCN) for a combustion turbine with about 450 MW of capacity. However, Kentucky Power indicated that due to a finalized agreement with TeraWulf, Inc., the amount of generation initially anticipated has doubled.

Kentucky Power stated that it intends to file a motion to withdraw the current case. It stated that it then anticipated filing a new case for a CPCN for a 760 MW combined cycle unit, with a planned in-service date of March 31, 2031, approval of a special contract agreement with TeraWulf, Inc., and construction of a substation. Kentucky Power stated that a related transmission line application would likely be filed in early spring of 2027.

Technical questions about the project were reserved by Commission Staff and the Attorney General's office until the new case is filed.

There being no further material discussions, the IC was then adjourned.
