Re: CASE NO. 2026-00147 – Filing Deficiencies  
Pendleton County Water District  
(Purchased Water Adjustment)

Dear Mr. Moore:

Commission Staff has reviewed the application in the above case. This filing is rejected for the reason(s) set forth below.

Filing deficiency pursuant to:

1. 807 KAR 5:068, Section 1(b): A schedule listing current and proposed rates; Exhibit B does not match the Tariff. Although not specifically a deficiency, Exhibit B's information was also used in the proposed Customer Notice and was referenced as approved by the Board in the minutes. Since Exhibit B is incorrect, the issue with the Customer Notice and the Board Minutes will also need to be remedied.

The information necessary to cure the deficiency must be submitted within 10 days of the date of this letter.

If you need further assistance, please contact Brian Thomas at 502-564-3940.

Sincerely,

A handwritten signature in blue ink that reads "Linda C. Bridwell".

Executive Director
