MOTION FOR INFORMAL CONFERENCE

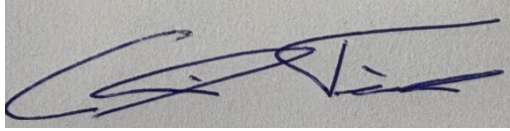

Kentucky Utilities Company (“KU”) respectfully moves the Kentucky Public Service Commission (“Commission”) pursuant to 807 KAR 5:001, Section 9(4) to schedule an informal conference in the above-referenced proceeding. In support of its request, KU states:

1. KU believes an informal conference will provide the parties an opportunity to discuss the issues raised in the Complaint in this matter and assist Commission Staff in the efficient review and evaluation of the issues.
2. KU believes that an informal conference will also permit the parties to discuss the possibility of settlement, which would aid in the disposition of this matter ahead of any hearing.
3. KU expects to appear in-person at the Commission’s offices and believes that a resolution would be best achieved by all parties being in person. However, the Companies are open to virtual participation by teleconference, if that is preferred by Commission Staff.

WHEREFORE, Kentucky Utilities Company respectfully requests that the Commission schedule an informal conference in this matter.
