Re: Melissa Saurini and Jonathon Jones v. Kentucky Utilities Company
CN 2026-00154

Dear Mr. McNeil:

In connection with the filing Kentucky Utilities Company ("KU") made today in the above-referenced case, KU submitted seven audio recordings that were responsive to the Melissa Saurini's and Jonathan Jones's First Request for Information. Those recordings contain customer names, account numbers, portions of social security numbers, and other personally identifiable information, which cannot be redacted due to the format of the audio recordings. Therefore, pursuant to 807 KAR 5:001, Section 4(10), the Companies are not filing the audio files in the public record in order to avoid disclosure of this personal information and are instead emailing copies of those records to the Commission.

A copy of this letter, without the audio files, is being filed in the record in this matter.

A copy of this letter and the audio recordings are being provided to Melissa Saurini and Jonathon Jones.

Please contact me if you have any questions regarding this filing.

Sincerely,

A handwritten signature in blue ink, appearing to read 'C. Tieke', is shown on a light-colored background.
