SOUTH EASTERN WATER ASSOCIATION, INC.	)	
DEFENDANT	)	

NOTICE OF WITHDRAWAL OF PREMATURE MOTION FOR DEFAULT JUDGMENT

Complainant Michael Hemphill, acting *pro se*, hereby submits this formal notice to the Kentucky Public Service Commission to completely withdraw his Motion for Entry of Default Judgment, which was filed and published to the public docket on September 17, 2026.

Following clarification of the administrative process by the filing branch management, Complainant recognizes that this motion was entered prematurely prior to the Commission issuing a formal, signed Order to Satisfy or Answer under 807 KAR 5:001, Section 20. To ensure the absolute integrity and procedural accuracy of the record, Complainant requests that the Commission disregard and remove this specific motion from active consideration.

Complainant explicitly states that this withdrawal applies **only** to the premature Motion for Default Judgment. This notice does **not** alter, withdraw, or compromise any other elements of his filings, including his formal Amended Complaints, his documented 20-year billing history, or his active Supplementary Entries detailing the historical land-cost and measurement discrepancies from Case No. 2006-00371, which remain fully intact before the Commission for investigation under KRS 278.260.

Respectfully submitted,

Michael Hemphill
Complainant, *Pro Se*
