INTRA-AGENCY MEMORANDUM

KENTUCKY PUBLIC SERVICE COMMISSION

TO: Case No. 2026-00193

FROM: Wright Williams, Staff Attorney III

DATE: September 25, 2026

RE: Informal Conference of September 25, 2026

Pursuant to an Order issued on September 22, 2026 an informal conference (IC) was conducted on September 25, 2026. Attached is a copy of the attendance roster.

The purpose of the IC was to discuss issues related to the Application in Case No. 2026-00193, including South Hopkins Water District's (South Hopkins District) wholesale water service contract with Dawson Springs City Water & Sewer System (Dawson Springs).

Dawson Springs addressed its concern with South Hopkins District's current balance owed pursuant to the contract and the serious financial strain the outstanding balance is placing on its ability to continue to operate its facility and provide water services pursuant to the wholesale water service contract. Dawson Springs stated that the outstanding balance has required it to postpone necessary repairs to its systems. Dawson Springs also expressed concern regarding the amount of water loss South Hopkins District is experiencing and the need for South Hopkins District to address its water loss, as the water loss and the outstanding balance are creating a challenge for Dawson Springs to produce the amount of water that South Hopkins District requires for its customers.

South Hopkins District stated that it is making efforts to get its water loss under control and understands the financial situation that the outstanding balance has created for Dawson Springs. South Hopkins District stated that it has evaluated a number of potential solutions to obtain funds to pay its outstanding balance. Staff recommended that any proposal for the Commission's consideration be filed in the case record. South Hopkins District requested Dawson Springs provide clarification regarding its calculations of the outstanding balance and late fees.

The parties expressed a willingness to attend an additional IC in the future to continue working toward a resolution in the matter.

There being no further discussion, the IC was then adjourned.
