Re: Siting Board Case No. 2026-00229

Dear Governor Beshear:

As the Chair of the Kentucky Public Service Commission (PSC), I also serve as the Chair of the Kentucky State Board on Electric Generation and Transmission Siting (Siting Board). Therefore, it is my duty to inform you that, on September 24, 2026, the Siting Board received a Notice of Intent from MYSO, LLC requesting certificates to construct a nonregulated electric transmission line in Graves and McCracken counties, Kentucky.

The permanent members of the Siting Board are the Chair, Vice Chair, and Commissioners of the PSC; the Secretary of the Energy and Environment Cabinet (or his designee);[1] and the Secretary of the Economic Development Cabinet (or his designee).[2]

In addition to the permanent members of the Siting Board, pursuant to KRS 278.702(1)(d)(2), two local ad hoc public members serve on the Siting Board for the duration of the case as well. Based on the facts as presented in the Notice of Intent, one of the ad hoc members must be either the county judge/executive of Graves County, Hon. Jesse Perry, or the county judge/executive of McCracken County, Hon. Craig Z. Clymer. The judge/executives of Graves County and McCracken County will have 30 days from the date of the filing of the application to select which of them will be the ad hoc member for this matter. If the judge/executives are unable to determine which of them will serve, the Governor will have the authority to directly appoint one of them as the member pursuant to KRS 278.8702(1)(d)(2). The second ad hoc appointee must be a legal resident of either Graves County or McCracken County, where the proposed nonregulated electric transmission line will be sited.

[1] Secretary John Lyons has designated Tony R. Hatton as his designee for this matter.

[2] Secretary Jeff Noel has designated Keaton Lowe as his designee for this matter.

Pursuant to KRS 278.710(1), the Siting Board is required to issue its decision granting or denying the application within either 120 days or 180 days (if a local public hearing is held). Therefore, it is vital to the successful completion of the Siting Board's duties that the second ad hoc member be appointed by you as soon as practicable.

Please let me know if I can provide you with any additional information regarding this case. Any communications regarding this case may be directed either to me or Nicole Carr, Staff Attorney, at 502-782-3259. Thank you for your time and attention to this matter.

Sincerely,

Angie Hatton
Chair
