CASE NO. 2026-00304

LEMAR COLLIER

COMPLAINANT

v.

LOUISVILLE GAS AND ELECTRIC COMPANY

DEFENDANT

COMPLAINANT'S FORMAL MOTION FOR ENTRY OF DEFAULT JUDGMENT PURSUANT TO 807 KAR 5:001

Comcomes now the Complainant, Lemar-Nathaniel: Collier, acting *Sui Juris* as the Authorized Representative for the Private Estate, and respectfully moves this Commission to enter a formal Order of Default Judgment against the Defendant, Louisville Gas and Electric Company (LG&E), for an absolute failure to answer, plead, or otherwise defend against the formal complaint initiated on the state server.

In support of this Motion, Complainant states as follows:

1. **Service and Notice:** On October 12, 2026, this Commission officially issued an electronic processing directive initiating active Case No. 2026-00304. Pursuant to the strict mandates of **807 KAR 5:001**, Defendant LG&E was legally commanded to submit a formal, written Answer responding to the allegations within ten (10) calendar days.
2. **Procedural Default:** The mandatory 10-day statutory window closed precisely at 5:00 PM EDT on October 22, 2026. A comprehensive audit of the master electronic repository confirms that Defendant LG&E has completely failed to execute a filing, request an extension of time, or transmit a verified rebuttal.
3. **Legal Effect of Silence:** In administrative law, the absolute silence of a regulated entity constitutes an Admission of the Material Facts. Defendant has conceded to the record that its operators accepted a fraudulent database deletion command at 4:28 PM on September 21, 2026, directly resulting in an immediate infrastructure lockout and life-safety deprivation targeting a disabled gunshot trauma survivor with certified autonomic thermoregulation impairment.

WHEREFORE, Complainant respectfully requests that this Commission enter an Order declaring Defendant LG&E in total administrative default and immediately grant the following relief:

- Enter a binding finding of liability against the Defendant for willful violation of customer safety protections.
- Issue a permanent injunction barring LG&E from executing any wireless or physical service disconnections at 2605 Thomas Ave.

- Order the immediate production of all unedited customer notes and audio recordings as previously demanded.

Dated: October 22, 2026

Respectfully submitted,

By: _Lemar-Nathaniel: Collier_____
