ATTENTION: OPEN RECORDS CUSTODIAN / LEGAL DIVISION

Pursuant to the Kentucky Open Records Act (**KRS 61.870 to KRS 61.884**), I am a resident of the Commonwealth exercising my statutory right to inspect and copy public records. This is an explicit demand for immediate, unredacted, word-for-word copies of all internal agency files, communications, and database registers concerning my household, utility disputes, and regulatory complaints from **June 1, 2026, through the present date, inclusive.**

Specifically, you are commanded to produce and deliver downloadable digital copies of the following records:

1. **The Informal Consumer Inquiry Logs:** All unedited internal screen notes, case histories, automated agent tracking records, telephone intake summaries, and

electronic message logs entered by agency staff—specifically including staff members **Becky** and **Stacey**—within the Consumer Inquiry Division tracking databases regarding Lemar Nathaniel Collier or property address 2605 Thomas Ave.

2. **The Oracle/Database Metadata Audit:** The complete, native interaction text logs and employee access history entries tied to my profile, tracking all backend communications between the PSC Consumer Inquiry staff and the compliance desks of Louisville Gas & Electric (LG&E) and Louisville Water Company (LWC).
3. **Internal Electronic Comms:** All internal or external emails, memoranda, and inter-agency communications exchanged between PSC staff, supervisors, and executive directors regarding **PSC Case No. 2026-000304**.

Pursuant to KRS 61.870(4), these records are **NOT sought for a commercial purpose**. As the direct subject of these public records, any attempt to apply privacy exemptions to hide internal staff comments will be treated as an intentional, bad-faith concealment of evidence. Pursuant to KRS 61.880, you have exactly **five (5) business days** to transmit the downloadable data links directly to [redacted].

Sincerely,
Lemar-Nathaniel: Collier, Chief Trustee, *Sui Juris*
Authorized Representative for THE BLUE TOPAZ PRIVATE HOLDING TRUST
