

On September 13, 2024 I had appointment with Brodirick and Davenport Contract Lawyer In Bowling Green Ky.

I laid all the paper work out on Conferance table.

Mr. Brodirick Look at all the items over and declared your attorney screwed you over by letting your Grand daughter sign an open End Lease Reinstating the original Lease, I Cant believe your Attorney Notorise this document let along send it to the Solar Co he didn't Repersent. HE told me It would take Six figure to get this threw the Court system and By Changing the front and back page has Committed Fraud.

HE said you should file a complant with the Ky Bar Association on this Attorney.

The Solar Co SEEMS to think that if they build this Project and own not one inch. NO Court or Judge will allow them to stop.
