**RE: 2019 Water System Improvements
Contract 12 – New Water Treatment Plant & Improvements
Contract 13 - Water Main Replacement
Sandy Hook Water District
PSC Case No. 2022-0810
Elliott County, Kentucky**

Dear Ms. Bridwell:

On behalf of Sandy Hook Water District, we are submitting this letter and record drawings as a condition of the PSC approval for the above referenced project. To the best of our knowledge, information and belief, the above referenced project was constructed in conformance with the approved plans, specifications, and submitted revisions for the approval letter from the Kentucky Division of Water dated February 5, 2021 and April 21, 2021. The project was completed in compliance with applicable regulations and placed in operation on or before June 1, 2025.

If you have any questions or need any additional information, please feel free to contact me at 859-351-1714.

Sincerely,

BLUEGRASS ENGINEERING, PLLC
