Greetings,

I was directed to contact you per the utilities commission. If I understand the decision of the Kentucky State Board on Electric Generation and Transmission, you have given my land to a private entity: The Lynn Bark Energy LLC. They are erecting fencing on our property, which we pay taxes on, without an agreement or even a conversation. I have reached out to the law firm representing Lynn Bark Energy LLC without success. I have left messages for Sommer Sheely of Bricker and Graydon LLP, who is overseeing the project, but she will not return my call. I am hoping that you can help me resolve this matter as soon as possible.

Sincerely,

Zachary Scott  
Greathel Stover
