Comments:

My duke energy bill is outrageous and they tell me it is much higher starting in late Dec early Jan due to KPSC agreeing to increase natural gas prices by 14%. Who do you think you are to do this to people, no one is getting a 14% increase in their paycheck or social security. You should be ashamed!

I want to be notified of this before YOU make a decision to give a 14% increase to my bills. Do you plan to alert KY residents of this ahead of time in the future?
