RE: Informal Conference of February 24, 2026

Pursuant to an Order entered on February 23, 2026, an informal conference was conducted on February 24, 2026. A list of conference participants is attached.

The purpose of the informal conference was to discuss Duke Energy Kentucky, Inc.'s (Duke Kentucky) Gas Cost Adjustment (GCA) rate report filed in this proceeding and specifically the Refund Adjustment (RA) provided for in Duke Kentucky's Gas Cost Adjustment Clause Tariff and the refund due from Columbia Gas Transmission, LLC. (Columbia Transmission) as the result of a ruling of the Federal Energy Regulatory Commission (FERC).

At the conference, Staff noted that the current GCA rate filing did not propose a RA rate. Duke Kentucky confirmed that it will be filing a Refund Report in its next quarterly filing resulting from the ruling FERC made regarding its supplier, Columbia Transmission. Duke Kentucky stated that the refund due to its customers, in the total amount of \$2,658,248.89, will become effective through the RA for a period of 12-months and will include interest calculated at the average of the three-month commercial paper rate as required by Duke Kentucky's GCRA tariff.

There being no further discussion, the informal conference was then adjourned.
