PUBLIC SERVICE
COMMISSION

To whom it may concern,

PhoneAid Communications received ETC in KY in December 2009 and submitted its first full month of customers on the 497 for January 2010. Per Jim Stevens, we did not need to go through the entire process of certification and verification of our customers based on less-than-a-year service/ETC in KY. We currently have 1295 eligible Lifeline Customers as of today's date.

If you have any questions, please feel free to contact us.

Sincerely,

Joe Lemke
