Re: A Certification of the Carriers Receiving Universal Service High-Cost
Support, Administrative Case 381

Dear Mr. Derouen:

The Commission's September 27, 2002, Order in Administrative Case 381 requires that recipients of Federal Universal Service High-Cost Support provide information to the Commission by September 1 of each year regarding the use of those funds. The Commission, in turn, must certify to the FCC pursuant to the state certification process set out in 47 C.F.R §54.313 that such funds are used appropriately. The attached Affidavit from Mary Pat Regan, President – AT&T Kentucky, serves as AT&T Kentucky's response regarding the use of those funds for 2011.

Should you wish any further information, please do not hesitate to contact me.

Sincerely,

Mary K. Keyer
