P. O. Box 615
Frankfort, KY 40602

Re: A Certification of the Carriers Receiving Universal Service High-Cost Support, Administrative Case 381

Dear Mr. Derouen:

The Commission's September 25, 2001, Order in Administrative Case 381 requires that recipients of Federal Universal Service High-Cost Support provide information to the Commission by September 1 of each year regarding the use of those funds. The Commission, in turn, must certify to the FCC pursuant to the state certification process set out in 47 C.F.R §54.314 that such funds are used appropriately.

Enclosed for filing are the Eligible Telecommunications Carrier Certification and Report of New Cingular Wireless PCS, LLC, d/b/a AT&T Mobility (SAC 269905). Attachments A-1 and A-2 to the Certification contain confidential material, and pursuant to 807 KAR 5:001, Section 7, AT&T Mobility files herewith its Petition for Confidential Treatment requesting that the Commission afford confidentiality to that material. Also attached is an Affidavit of Chris Percy in Support of the Petition for Confidential Treatment. One proprietary copy and 10 edited copies of this material are filed with the Commission.

Should you wish any further information, please do not hesitate to contact me.

Sincerely,

Mary K. Keyer

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

A CERTIFICATION OF THE CARRIERS)
RECEIVING FEDERAL UNIVERSAL SERVICE) Administrative Case No. 381
HIGH-COST SUPPORT)

PETITION OF NEW CINGULAR WIRELESS PCS, LLC
(SAC 269905) FOR CONFIDENTIAL TREATMENT

Petitioner, New Cingular Wireless PCS, LLC d/b/a AT&T Mobility (“AT&T Mobility” or “Company”), through counsel, pursuant to KRS 61.870 and 807 KAR 5:001 Section 7, hereby submits its Petition for Confidential Treatment for AT&T Mobility. The grounds in support of this Petition are set forth below.

In this Petition, AT&T Mobility is seeking Confidential Treatment for certain information attached to its Certification and Report required by the Commission’s September 24, 2001 Order herein as well as the commitments made by AT&T Mobility in its request made on February 25, 2008, to transfer the eligible telecommunications carrier (“ETC”) designation from American Cellular Corporation to AT&T Mobility for certain wire centers. The Company is providing the original of its Summary of Potential Capital Projects for 2013 (“**Confidential Attachment A-1**”) and a Summary of ETC Expenditures for 2011 (“**Confidential Attachment A-2**”) as attachments to this original Petition for Confidential Treatment and printed on yellow paper as “Proprietary Information” on each of these documents. The redacted documents are attached to the Eligible Telecommunications Carrier Certification and Report of New Cingular Wireless PCS, LLC d/b/a AT&T Mobility (SAC 269905) filed herewith. The Company is also

submitting the Affidavit of Chris Percy in Support of Petition for Confidential Treatment in support of this Petition (referred to hereafter as "Percy Affidavit").

KRS 61.870 requires that public agencies within the Commonwealth make available for inspection all public records. Certain exceptions to that general requirement are contained in KRS 61.878 and KRS 61.878(1)(c), which provide an exemption for certain commercial information. In order to qualify for an exemption under these sections, a party must demonstrate that disclosure of such commercial information would permit an unfair commercial advantage to its competitors unless the information is afforded Confidential Protection. The procedure for requesting Confidential Treatment from the Commission is outlined in 807 KAR 5:001 Section 7.

All of the information contained in Attachments A-1 and A-2 is proprietary commercial information. Accordingly, pursuant to KRS 61.878(1)(c), AT&T Mobility requests that the Commission afford Confidential Treatment to Attachments A-1 and A-2. These documents would provide competitors and potential competitors with important proprietary information about AT&T Mobility and its operations, which competitors would be unable to obtain otherwise. Percy Affidavit, ¶ 4. Armed with this information, a competitor could develop entry, marketing, or other strategies, which would likely ensure it success in competing with AT&T Mobility. Further, in a competitive market, any information gained about a competitor can be used to that competitor's detriment. *Id.* at ¶ 5. Such an unfair competitive advantage skews the marketplace and prevents the development of true competition to the ultimate detriment of the consumer.

Disclosure of the Confidential information contained in Attachments A-1 and A-2 would be detrimental to AT&T Mobility because it contains data that is not otherwise available to AT&T Mobility's competitors. *Id.* at ¶ 4. The information sought to be protected herein is not generally known outside AT&T Mobility, nor is it provided to the public. *Id.* at ¶ 6. Indeed, by granting this Petition, the public interest will be served because competition will be enhanced. Finally, the Commission has recognized in its January 24, 2000, Order in Case No. 99-184 that information of this type previously submitted by American Cellular, and in its letter dated January 26, 2011, in this docket that information of this type previously submitted by AT&T Mobility, is entitled to Confidential Treatment.

Wherefore, the Company respectfully requests that the Commission issue an Order granting Confidential Treatment to AT&T Mobility Attachments A-1 and A-2 attached hereto.

Respectfully submitted this the 30th day of August, 2012.

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

A CERTIFICATION OF THE CARRIERS)
RECEIVING FEDERAL UNIVERSAL SERVICE) Administrative Case No. 381
HIGH-COST SUPPORT)

**AFFIDAVIT OF CHRIS PERCY IN SUPPORT OF
PETITION OF NEW CINGULAR WIRELESS PCS, LLC D/B/A AT&T MOBILITY
(SAC 269905) FOR CONFIDENTIAL TREATMENT**

Chris Percy being first duly sworn on oath, states as follows:

1. I currently serve as a Vice President / General Manager for AT&T Mobility Coproration, the manager for New Cingular Wireless PCS, LLC d/b/a AT&T Mobility ("AT&T Mobility" or "Company"). In this capacity, I have personal knowledge of the matters set forth in this affidavit and am authorized to make this affidavit on behalf of AT&T Mobility.

2. AT&T Mobility is requesting confidential treatment for its proposed filing of spreadsheets describing the location of the Company's cell sites, proposed service improvement projects and the estimated locations and costs associated with such improvements (**Confidential Attachments A-1 and A-2**).

3. These Attachments contain proprietary information that would aid competitors of AT&T Mobility and such trade secret information is subject to protection from disclosure pursuant to Kentucky law. See KRS 61.870, *et seq.*

4. The specific Attachments that AT&T Mobility proposes to file would reveal proprietary information regarding the Company's network infrastructure,

build out plans and operating costs. This information constitutes a trade secret because it is commercial information that, if disclosed, could cause substantial competitive harm to AT&T Mobility. This information is either not publicly available or not generally available in this format. It would be difficult (or impossible) for someone to discover this information from other sources. If this information were available to competitors in this format, they could use it to the competitive detriment of AT&T Mobility.

5. Wireless providers, like AT&T Mobility, operate in a highly competitive marketplace where such proprietary information is closely guarded to ensure it is not disclosed to competitors.

6. This information is protected internally by the Company as proprietary information.

Chris Percy, Vice President/General Manager

STATE OF TN)
COUNTY OF WILLIAMSON)

Subscribed and sworn to before me by Chris Percy as Vice President / General Manager of AT&T Mobility Corporation, the manager for New Cingular Wireless PCS, LLC this 24 day of August 2012.

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

A CERTIFICATION OF THE CARRIERS)	
RECEIVING FEDERAL UNIVERSAL SERVICE)	Administrative Case No. 381
HIGH-COST SUPPORT)	

**ELIGIBLE TELECOMMUNICATIONS CARRIER CERTIFICATION AND
REPORT OF NEW CINGULAR WIRELESS PCS LLC D/B/A AT&T MOBILITY
(SAC 269905)**

**CERTIFICATION OF
NEW CINGULAR WIRELESS PCS, LLC d/b/a AT&T MOBILITY (SAC 269905)**

STATE OF TN)
) SS
COUNTY OF WILLIAMSON)

The undersigned, being duly sworn, states as follows:

1. I currently serve as a Vice President / General Manager for AT&T Mobility Corporation, the manager for New Cingular Wireless PCS, LLC d/b/a AT&T Mobility ("AT&T Mobility" or "Company"). I am personally familiar with the federal high-cost universal service support received by AT&T Mobility and the use of these funds in Kentucky for study area code ("SAC") 269905.

2. To enable the Company to receive federal high-cost universal service support in calendar year 2013, the Public Service Commission of Kentucky ("Commission") is required to certify the Company's use of support for SAC 269905 to the Federal Communications Commission ("FCC") and the Universal Service Administrative Company ("USAC") on or before October 1, 2012. On September 24, 2001, the Commission issued an order in Administrative Case No. 381 requiring all eligible telecommunications carriers ("ETCs") to file with the Commission their plans for the use of any high-cost federal universal service support they receive on or before September 1 of each calendar year.

3. As set forth in the Commission's Order issued on August 15, 2006, in Case No. 2005-00130 designating AT&T Mobility's predecessor American Cellular Corporation ("ACC") as an eligible telecommunications carrier ("ETC") throughout portions of the state for SAC 269905, and as AT&T Mobility committed to in its ETC

designation request, on or before September 1 of each year, the Company is further required to file the following additional information with the Commission: (a) plans for the use of federal high-cost support to be received; (b) records and documentation detailing the Company's progress toward meeting its build-out plans; (c) the number of complaints per 1,000 handsets; and (d) information detailing the number of unfulfilled requests for the past year.

4. Based on USAC's most recent projections, the Company currently estimates that it will receive approximately \$3.5 million in federal high-cost universal service support in 2013. The actual amount of support distributed to the Company may vary from this estimate as the amount of funding AT&T Mobility receives is dependent on a number of variables, including the per line support amount of the underlying incumbent local exchange carrier ("ILEC") and the number of AT&T Mobility subscribers that have service in a particular wire center. Further, the FCC previously ordered that the total annual competitive ETC ("CETC") support for each state will be capped at the level of support that all CETCs were eligible to receive during March 2008 on an annualized basis.¹ Therefore, the amount of support that AT&T Mobility receives is dependent on the amount of support received by other CETCs in the state. Last November the FCC released its *USF/ICC Transformation Order*² that made significant changes to its high-cost program, and among other changes adopted a final rule to phase out high-cost support payments to competitive ETCs, like AT&T Mobility, by July 2016.

¹ See *In the Matter of High-Cost Universal Service Support, Federal-State Joint Board on Universal Service, Alltel Communications, Inc. et al. Petitions for Designation as Eligible Telecommunications Carriers, RCC Minnesota, Inc. and RCC Atlantic, Inc. New Hampshire ETC Designation Amendment*, Order, WC Docket No. 05-337 and CC Dkt No. 96-45 (rel. May 1, 2008).

² *Connect America Fund, et al.*, WC Docket No. 10-90 *et al.*, Report and Order and Further Notice of Proposed Rulemaking, 26 FCC Rcd 17663 (2011) ("*USF/ICC Transformation Order*").

5. Accordingly, the Company hereby certifies that all federal high-cost universal service support that it receives during the 2013 calendar year will be used only for the provision, maintenance and upgrading of facilities and services for which the support is intended pursuant to Section 254(e) of the Federal Telecommunications Act, 47 U.S.C. § 254(e).

A. Service Improvement Progress Report

6. Since its designation as an ETC, the Company has continued to identify facility construction projects intended to expand network coverage within its designated service area. Attached as **Confidential Attachment A-1** is a summary of the types of facilities, locations, estimated budget and deployment dates for each of these service improvements for calendar year 2013.

7. **Confidential Attachment A-2** explains how the Company spent the USF support that it received in 2011.

8. Pursuant to 47 U.S.C. § 254(e), the Company will continue to utilize the federal high-cost universal service support it receives to maintain, upgrade and operate these network facilities consistent with the universal service objective of providing quality telecommunications services.

B. Requests for Service

9. AT&T Mobility committed to annually report the number of requests for service from potential customers within its designated ETC service area that were unfulfilled. The Company has adopted the calendar year as the time period for purposes of meeting the September 1 filing deadline. Accordingly, for the time period January 1, 2011 through December 31, 2011, the Company experienced zero requests for service that the Company was unable to satisfy.

C. Complaints Per 1,000 Handsets

10. The Company is also required to annually report the number of complaints per 1,000 handsets. The Company has adopted the calendar year as the time period for purposes of meeting a September 1 filing deadline. For the time period January 1, 2011 through December 31, 2011, the Company received 0.270 complaints per 1,000 handsets statewide from the Attorney General, Better Business Bureau, and the FCC.

The matters addressed above are within my personal knowledge and are true and correct.

AT&T Mobility

Chris Percy
Vice President/General Manager
