BEFORE ME, the undersigned authority, on this day personally appeared Gregory A. Hale of Logan Telephone Cooperative, ("the Cooperative"), who on his oath deposed and said:

1. My name is Gregory A. Hale. I am employed by Logan Telephone Cooperative in the position of General Manager/Executive Vice President. In this position, I am personally familiar with the Federal Universal Service support received by the Cooperative and how these funds are used by the Cooperative.
2. Logan Telephone Cooperative was designated as an eligible telecommunications carrier by the Kentucky Public Service Commission in PSC Case No. 360 by order dated November 26, 1997. Logan Telephone Cooperative provides service in study area code 260413.
3. Pursuant to the requirements of 47 C.F.R. § 54.314, Logan Telephone Cooperative hereby certifies all federal high-cost support provided to the Cooperative was used in the preceding calendar year (2012) and will be used in the coming calendar year (2014) only for the provision, maintenance and upgrading of facilities and services for which the support is intended, as designated by the Federal Communications Commission consistent with Section 254€ of the Federal Telecommunications Act. These funds will be used to provide the following supported services, as outline in 47 CFR § 54.101(a), which are available to any customer in the Cooperative's service area: voice grade access to the public switched network or its functional equivalent; minutes of use for local service provided at no additional charge to end users; access to the emergency services provided by local government or other public safety organizations, such as 911 and enhanced 911, to the extent the local government in an eligible carrier's service area has implemented 911 or enhanced 911 systems; and toll limitation services to qualifying low-income customers.

As a regulated utility, Logan Telephone Cooperative's accounting and separations procedures are subject to periodic National Exchange Carrier Association and Kentucky Public Service Commission reviews.

5. While continuing to receive Federal Universal Service support as described and using this support for the purposes as described, Logan Telephone Cooperative does not anticipate withdrawing any services; therefore, the comparability of service between the rural areas served by Logan Telephone Cooperative and the urban areas of Kentucky will not be changed because of any action on the part of Logan Telephone Cooperative.

6. The matters addressed above are within my personal knowledge and are true and correct.

Gregory A. Hale
