Re: Kentucky American Water

Dear Mr. Derouen:

Ordering Paragraphs 4 and 5 of the Commission's April 25, 2008 Order in Case No. 2007-00134 require Kentucky American Water to submit cost information and "as-built drawings" for the construction project approved in that Order. Those submissions are due within 60 days after substantial completion of the project. I write to inform you that Kentucky American Water expects "substantial completion" of the construction project to occur within the next several weeks. As soon as a date certain is known for substantial completion, I will provide it to you. In the meantime, should you have any questions or concerns, please do not hesitate to let me know.

Very truly yours,

Stoll Keenon Ogden PLLC
