Re: Kentucky American Water

Dear Mr. Derouen:

As indicated to you in my September 29, 2010 letter, I write to inform you that Kentucky American Water certified substantial completion of the construction project at issue in Case No. 2007-00134 as of October 15, 2010. Ordering Paragraphs 4 and 5 of the Commission's April 25, 2008 Order in that case require Kentucky American Water to submit cost information and "as-built drawings" within 60 days after substantial completion. Accordingly, it is our understanding that the deadline for those submissions is December 14, 2010. Please let me know if that date is inaccurate. Of course, should you have any questions or concerns, please do not hesitate to contact me.

Very truly yours,

Stoll Keenon Ogden PLLC
