Re: *In the Matter of: Joint Application of Louisville Gas and Electric Company, Association of Community Ministries, Inc., People Organized and Working For Energy Reform, and Kentucky Association for Community Action, Inc. For The Establishment of a Home Energy Assistance Program, Case No. 2007-00337*

Dear Mr. DeRouen:

On September 14, 2007, the Commission approved the Joint Application of Louisville Gas and Electric Company (“LG&E”), Association of Community Ministries, Inc. (“ACM”), People Organized and Working for Energy Reform (“POWER”), and the Kentucky Association for Community Action, Inc. (“KACA”), (collectively “Joint Applicants”) for a five year Home Energy Assistance (“HEA”) program. The term of the HEA program was extended for an additional three years (through September 30, 2015) in Case No. 2010-00204. Pursuant to Ordering Paragraph No. 4 of the Commission’s Order in Case No. 2007-00337, LG&E is filing the HEA program information for calendar year 2011.

For the twelve month period ending December 2011, LG&E collected \$1,162,928 from residential electric and gas customers (See Exhibit 1).

As of the December 31, 2011 reporting period, there were 1,957 residential customers enrolled in the HEA program representing eight (8) counties throughout the LG&E service territory (See Exhibit 2).

Mr. Jeff DeRouen  
June 28, 2012

For the calendar year 2011, 2,772 brown bills (See Exhibit 3) were sent to HEA clients. Additionally, there were 787 disconnections (See Exhibit 4) of HEA clients during 2011.

In the aforementioned Order, LG&E was authorized to utilize up to five percent of the total HEA funds collected to provide discretionary energy assistance. The Order specifies that the funds could be used to pay down arrearages or to provide energy assistance in crisis situations. During 2011, AEC primarily utilized the funds to pay down arrearages of program participants.

During 2011, there was no change to the monthly or annual benefit amount after approval of the aforementioned Order. However, on June 2, 2011, LG&E filed a letter with the Commission advising of the Company's intent to reduce the required annual income percentage contribution by 2% effective July 1, 2011.

Lastly, LG&E is awaiting receipt of the financial audit conducted by independent auditors for the Affordable Energy Corporation for the period ending December 31, 2011 and will forward upon receipt.

Please confirm your receipt of this filing by placing the stamp of your Office with date received on the extra copy and returning to me in the enclosed envelope. Should you have any questions regarding this information, please contact me or Don Harris at 502-627-2021.

Sincerely,
