Re: ***In the Matter of: Joint Application of Louisville Gas and Electric Company, Association of Community Ministries, Inc., People Organized and Working For Energy Reform, and Kentucky Association for Community Action, Inc. For The Establishment of a Home Energy Assistance Program, Case No. 2007-00337***

Dear Executive Director:

On September 14, 2007, the Commission approved the Joint Application of Louisville Gas and Electric Company ("LG&E"), Association of Community Ministries, Inc. ("ACM"), People Organized and Working for Energy Reform ("POWER"), and the Kentucky Association for Community Action, Inc. ("KACA"), (collectively "Joint Applicants") for a five year Home Energy Assistance ("HEA") program. The term of the HEA program has been extended several times in various cases. However, pursuant to the Settlement Terms and the Commission's Order in Case No. 2014-00372, effective June 30, 2015, the HEA program was established as a permanent program. Additionally, pursuant to Ordering Paragraph No. 4 of the Commission's Order in Case No. 2007-00337, LG&E is filing the following HEA program information for calendar year 2015:

- Exhibit 1: Total Funds Collected
- Exhibit 2: Customer Enrollment by County
- Exhibit 3: Brown Bill Notices Issued
- Exhibit 4: Number of Disconnections

Executive Director  
June 17, 2016

In the September 14, 2007 Order, LG&E was authorized to utilize up to five percent of the total HEA funds collected to provide discretionary energy assistance. The Order specifies that the funds could be used to pay down arrearages or to provide energy assistance in crisis situations. During 2015, Affordable Energy Corporation ("AEC") primarily utilized the funds to pay down arrearages of program participants.

During 2015, there was no change to the monthly or annual benefit amount.

Effective July 1, 2016 the benefits tiers for the program will be adjusted from:

- \$200 to \$400
- \$400 to \$600
- \$700 to \$800
- Maintain the \$1,000 level

Lastly, LG&E is awaiting receipt of the financial audit conducted by independent auditors for the AEC for the period ending December 31, 2015 and will forward upon receipt.

Please confirm your receipt of this filing by placing the stamp of your Office with date received on the extra copy and returning to me in the enclosed envelope. Should you have any questions regarding this information, please contact me or Don Harris at 502-627-2021.

Sincerely,

Rick E. Lovekamp
