Re: *In the Matter of: Joint Application of Kentucky Utilities Company, Kentucky Association for Community Action, Inc., and Community Action Council for Lexington-Fayette, Bourbon, Harrison and Nicholas Counties, Inc. for the Establishment of a Home Energy Assistance Program, Case No. 2007-00338*

Dear Mr. DeRouen:

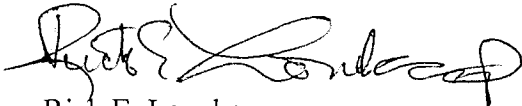

On June 13, 2014, pursuant to Ordering Paragraph No. 4 of the Commission's Order in Case No. 2007-00338, Kentucky Utilities Company ("KU") filed the HEA program information for calendar year 2013 and the financial audits for CAK and CAC for year ended June 30, 2013.

In its June 13, 2014 letter, KU originally stated "during 2013, there was no change to the monthly or annual benefit amount after approval of the aforementioned Order." However, in Case No. 2012-00221, the Commission issued an Order on December 20, 2012 that approved the terms associated with the Settlement Agreement, Stipulation, and Recommendation ("Settlement Agreement"), which specifically stated in Section 4.4 of the Settlement Agreement that the HEA subsidy amount administered by CAC may increase up to \$88 per month or \$616 annually. As a result, the subsidy amount increased during 2013. KU apologizes for any inconvenience this oversight may have caused.
