RE: CONSIDERATION OF THE NEW FEDERAL  
STANDARDS OF THE ENERGY INDEPENDENCE AND  
SECURITY ACT OF 2007 - Administrative Case No.  
2008-00408

Dear Mr. DeRouen:

Pursuant to the Kentucky Public Service Commission's July 24, 2012 Order in the above-referenced proceeding, I am writing on behalf of Kentucky Utilities Company and Louisville Gas and Electric Company (collectively "Companies") to confirm the Companies' adoption of the Kentucky IRP Standard set out in the Commission's July 24 Order. The Companies' current electric planning practices already treat energy efficiency with equal priority as other resources, and will continue to do so in accordance with the Kentucky IRP Standard.

If you have any questions or concerns about this or any other matter, please do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Lonnie E. Bellar".
