RE: Public Service Commission of Kentucky (Case No.2009-00064)

Dear Ms. Faulkner:

This letter is to serve as notice of intention to erect a temporary sixty-five (65) foot telephone pole with antennas attached at the Dryfork Tower site (Case No. 2009-00064).

Due to legal delays in constructing the permanent tower at this location, we feel that it is necessary to erect this temporary pole in order to provide much needed cellular service along Hwy 15.

Marty Thacker has spoken with Eric Bowman and Kyle Willard of the Public Service Commission on our behalf regarding this decision. He was informed that they did not foresee any complications with this course of action.

If you have any questions, feel free to contact me at 606-791-2375, ext. 1007 or via email lhane@ekn.com.

Sincerely,

A handwritten signature in cursive script that reads "Lynn Haney".
