COMMISSION

IN THE MATTER OF:)
)
APPLICATION OF KENTUCKY-AMERICAN) CASE NO. 2009-00156
WATER COMPANY FOR ISSUANCE)
OF INDEBTEDNESS AND CONTINUED)
PARTICIPATION WITH AMERICAN WATER)
CAPITAL CORP.)

NOTICE OF ISSUANCE AND MOTION FOR WAIVER

In the Commission’s May 29, 2009 Order in this matter, it authorized Kentucky-American Water Company (“KAW”) to continue its participation in the American Water Capital Corporation borrowing program and to issue securities in the form of notes or debentures of up to \$104.5 million prior to November 1, 2010. Since that Order was issued, KAW has taken advantage of two opportunities to displace a portion of that \$104.5 million with tax-exempt bonds. Those two tax-exempt bond issuances (the first was for \$45.39 million and the second was for \$26 million) were addressed and approved by the Commission in its May 29, 2009 and August 21, 2009 Orders in this case. Both of those bond deals closed in 2009. Due to their tax-exempt nature, those two issuances generate an annual savings for KAW customers of approximately \$720,000.¹

KAW now has an opportunity to displace another portion of the \$104.5 million with another tax-exempt private activity bond issuance. KAW applied for and received authority to issue another \$26 million in tax-exempt private activity bonds for the purpose of financing the new water treatment plant and related facilities approved by the Commission in Case No. 2007-

¹ See KAWC’s August 7, 2009 and September 17, 2009 filings in this case.

00134.² The total of the tax-exempt issuances will be \$97.39 million, and, thus, will be below the total amount of \$104.5 million authorized by the Commission in this case. KAW will be submitting its President's and Treasurer's certification that this issuance will not exceed the total amount authorized by the Commission as required by Ordering Paragraph 4 of the Commission's May 29, 2009 Order in the next several days.

The closing on the tax-exempt private activity bonds is scheduled to occur on June 24, 2010. However, due to complications that needed to be resolved with one of the parties to the transaction, KAW was uncertain until very recently that the transaction was even going to occur. At this time, it appears that the transaction will occur. Therefore, as required by Ordering Paragraph 2 of the Commission's August 21, 2009 Order, KAW is providing notice to the Commission of this third tax-exempt private activity bond issuance in the amount of \$26 million. Due to the uncertainty that existed related to this transaction, KAW did not provide notice under that ordering paragraph 30 days in advance of the transaction.

Now, given the likelihood of the transaction occurring, KAW provides the notice herein and moves the Commission for a waiver of the 30 day advance notice requirement set forth in Ordering Paragraph 2 of the Commission's August 21, 2009 Order. The requested waiver would be for eight days (there are 22 days between the date of this filing, June 2, and the date the transaction will close, June 24).³ Finally, KAW respectfully requests the Commission rule on this motion as expeditiously as possible (preferably within the next 7-10 days) so that KAW can take all steps necessary to complete the transaction that will generate additional savings for its customers.

² Please see the attached approval documentation.

³ Note that KAW's pending rate case testimony (Case No. 2010-00036) specifically discusses the subject June 2010 \$26 million tax-exempt issuance and includes it as part of the capital structure proposed in that case. (See Direct Testimony of Michael A. Miller, p. 12). Thus, as of February 26, 2010, the Company had apprised the Commission of the possible issuance.
