**DEPOSITS:**

1. The utility will require a minimum cash deposit or other guarantee to secure payment of bills.
2. Service may be refused or discontinued if payment of requested deposits is not made.
3. An equal deposit amount for each class of customers will be established based on the average annual bill of customers in that class. Deposit amounts will not exceed two-twelfths (2/12) of the average annual bill of customers in each class where bills are rendered monthly. Deposit amounts are listed in the Rates and Charges section of this tariff.
4. Interest will accrue on all deposits at the rate prescribed by law beginning on the date of the deposit. Interest accrued will be refunded to the customer or credited to the customer's bill on an annual basis. In situations where a customer leaves the system with less than one year's service, since beginning service or since the customer's last interest payment date, interest will be refunded or credited to the customer on a prorated basis.
5. Deposits will be refunded to customers after 12 months if the customer has established a satisfactory payment history or upon termination of service.
